**Message from CAFOD:** did you know that Church teaching says that we should not only support those in poverty but also tackle the root causes of poverty? Pope Benedict XVI said that "Love — caritas — is an extraordinary force which leads people to opt for courageous and generous engagement in the field of justice and peace." For decades CAFOD has spoken out against injustice. To find out more and get involved in tackling the root causes of poverty, please go to [cafod.org.uk/latestcampaigns](http://cafod.org.uk/latestcampaigns)
