**Second collection on 18 June** will be for the **Day for Life**. This is the day in the Church's life dedicated to celebrating the sacredness of life. The collection will provide core funding for the Anscombe Bioethics Centre and to assist other life related activities.

**Additional contactless machines:** we have noticed an increase in monies being donated via our contactless machines, which is encouraging. We have set up three additional machines, two which are now located in the Church and one in the hallway of the JPC. If you need any help with them, please do not hesitate to ask one of the Stewards. Thank you!
