Epiphany of the Lord is a Holy Day of obligation – if you don't have any serious obstacle, please, come for the Mass celebration. **Masses with blessing of incense and chalk** will be celebrated on Monday 5 January at 19.30 and Tuesday 6 January at 08.00 9.30 and 19.30. The Mass at 19.30 is going to be celebrated also as the **Inaugural Mass for the Apostolate for the Eucharistic Adoration** followed by a short period of Adoration. The main celebrant is going to be Archbishop Emeritus Kevin McDonald. Everyone is welcome to join, particularly the Adorers and the Committee Members.

The **second collection** next weekend of 10/11 January will support the needs of the Wednesday Adoration, like the banner, books and other items.

Parish office will reopen on Wednesday 7 January. For any emergencies, please ring 0208 693 5070.

Solar Panels: We have been successful in receiving a grant from Southwark Council's Energy Fund to install solar panels on the back roof of the John Paul Centre. Being in a conservation area, we have obtained planning permission for this project. The installation of the solar panels system is planned for this February half term. More information to follow in due time We hope that everyone will appreciate this environmental and cost-saving scheme for our community.
